Natural & Vegan Multi Vitamin Mineral Super food Formula

Veggie Style's ULTIMATE SUPER FOOD VITA MAX

Whenever we study about the nutrient content of several super foods, which are extremely nutrient dense we get as conclusion, that those super foods are the best natural multi nutrient component, as they are totally natural and plantbased without any chemical manipulation. Now the question is; what do we get, when we combine 3 of the most nutrient rich and powerful super foods into one special designed natural super food formula? Then we get the ULTIMATE Super food formula offering the best natural multi-vitamin, -mineral.-protein.-antioxidant, omegas and micro nutrient formula. This is an incredible all in one natural Multi Nutrient Componen offereing you in one single capsule all nutrients your body needs. In our Ultimate Super food formula we use our ecological dried and pulverized Moringa Leaf, Spirulina and chlorella and we fill them in plant based veggie capsules. As a result we obtain an incredible nutrient dense multi nutrient power formula – and the best is: it offers nearly ALL micro and macro nutrients your body needs and this in a completely natural way – it has 25 different vitamins and minerals, all essential and non essential amino acids, it contains Omega3,6 and 9, contains many antioxidants, is high on chlorophyll and RNA and DNA. Important for all vegans is, that our Multi Nutrient Formula contains also human active Vitamin B 12. Just check out our nutrient analysis and be amazed what this power formula offers in each single capsule. Our Ultimate power formula is ideal for anyone who wants to become stronger, build up muscles or ensure al nutrients while you are on a weight loss diet. In all this moments, there is nothing else more important to ensure, that your mody gets besides the regular food a special natural and plant based supplement containing an incredible high concentration of

all nutrients.

Your friend our

Multi-Nutrient Formula

Any time you want to burn fat, build muscles or get stronger faster and fitter - you should rely on Veggie Style ULTIMATE SUPERFOOD FORMULA

- Especially when you reduce food intake during a weight loss diet, you always run the risk of under-supplying the body with many vital substances.
- When you are not dieting, it is sometimes difficult to guarantee all essential vitamins and minerals.
- The best training in the world will not have the desired effect if there is just one vital substance missing.

Veggie Style ULTIMATE SUPERFOOD FORMULA prevents such a deficiency and guarantee maximum progress.

- As plus, our formula is very easy to digest and to absorb from our body.

How and when should you take this Multi Vitamin/Mineral/Protein Formula?

Respect the dosage we recommend For women 3-6 capsules per day and for men 4-9 capsules. It is not necessary to take more, as an overdose can produce side effects and besides your body does not use any access of certain micro nutrients. High levels of certain vitamins are even harmful for the body. With our dosage, you give your body what it needs in a balanced perfect proportion.

Veggie Style Ultimate Super food is a guarantee for maximal muscle growth and

fat burning.
